

Barn B Painting Project

Barn B will be painted the week of April 23. The work will be centered on the barn itself, but there will be workers, equipment, and vehicles coming and going and noise from the work. We've asked K.I.C. Painting to be alert and make sure that the work area is safe. Please be aware and extra careful during the project.

Hillside Arena

A new bridge across the storm culvert was completed this week and is safe for pedestrians to use.

Summer Pony Camps

The Bell Canyon Riding Academy will be offering Pony Camps this summer. Currently scheduled is the weekend of June 16-17 and the week of August 13-17, from 9:00 AM to 3:00 PM. Camp details and sign-up information will be sent to the Bell Canyon community shortly and posted on the bellcanyonequestriancenter.com website. Let your neighborhood friends with children know about this fun summer-time offering.

Trailer Storage

The BCA parking area has limited space for storing horse trailers. The rent for storing a two-three horse trailer is \$50 per month and for larger horse trailers, \$75 per month. The BCEC has been relaxed about collecting rental fees from those storing their trailers in the lot, and that must be tightened up going forward. If you are keeping a trailer in the BCEC lot and are not paying the monthly storage fee, please contact Diane, at gm@bellcanyon.com, to make official arrangements. Beginning June 1, no trailer may be stored in the BCEC lot without being registered and paying monthly rent.
